

CLIENT TIPS

SUITED FOR SUCCESS

THIS IS NOT A REFERRAL OR APPOINTMENT CONFIRMATION.

If you need an appointment, please ask your case manager to submit a referral and schedule your appointment for you. All appointments are made through the case manager and in advance. No walk-ins.

Preparing for your appointment

- Please arrive **on time and arrive alone** to be suited. If you need physical assistance trying on clothes, you may bring someone to help you. If you are running late, please call us at 305-444-1944 to let us know.
- If you are newly employed and coming for an **employment suiting**, please bring documentation of your employment status, such as offer letter, first paystub, schedule, etc., with your name, company name and a recent date on it.
- If you do not show up for the scheduled appointment and do not call us before your scheduled appointment to reschedule, we will notify the case manager. **No shows will not be given another appointment.** No show takes time away from our volunteers and other clients who are waiting for appointments.
- Appointments generally last about 20-30 minutes, including intake, paperwork and personal styling.
- During your appointment, your personal shopper will select clothing for you to try on to ensure good fit. Please come prepared wearing appropriate undergarments. Dressing rooms are provided for your privacy.
- The majority of the clothing we have to offer is lightly used and clean. Because we rely on donations, our selection may be limited. Our personal shoppers are trained to help you put together a professional outfit from what we have available.
- All clothing and accessories are yours to keep. There is no fee or cost to the client for any services offered.
